

Sponsored through the Oregon Direct Access to Achievement (DATA) Project with support from Harney Education Service District, High Desert Education Service District, Lake Education Service District and Jefferson County Education Service District

# Instructional Leadership for Secondary Administrators (including district coaches/lead teachers)

## About:

### Dr. Kevin Feldman

#### Professional Biography

Dr. Kevin Feldman is the Director of Reading and Intervention with the Sonoma County Office of Education (SCOE) and an independent educational consultant working with publishers, schools, and districts across the country. His career in education spans forty years. As the Director of Reading and Intervention for SCOE he develops, organizes, and monitors programs related to PreK-12 literacy and the prevention/remediation of reading difficulties. To learn more about Dr. Feldman's work, visit the SCOE web site [www.scoe.org/reading](http://www.scoe.org/reading)

Dr. Feldman will provide research and practice to Secondary Principals/Coaches and Lead Teachers on the role of being an Instructional Leader in their school with an emphasis on Literacy across the content areas. There will be two follow-up days in each of the four ESD areas for in-school, hands-on training.
